

Texas Youth Advisory Commission Summit 2026

Sponsorship Opportunities

The Annual Texas Youth Advisory Commission (YAC) Summit is a two-day statewide event primarily sponsored by the Texas Municipal League and hosted by a local city and its Youth Advisory Commission. This year, it is hosted by the Mayor's Teen Council in Cedar Hill, Texas in partnership with Mt. Lebanon from January 30th to February 1st. The Summit brings together approximately 250 youth advisory council members and organizational leaders from municipalities across Texas for an inspiring experience designed to educate, empower, and connect through skill-building workshops, motivational speakers, and engaging networking opportunities. The event fosters collaboration between youth and city officials, offering a platform to share successes, exchange innovative ideas, and strengthen civic engagement in a fun, dynamic environment.

Sponsoring the YAC Summit provides a unique opportunity to invest in the next generation of Texas leaders while gaining meaningful visibility among youth and municipal decision-makers across the state, aligning your organization with leadership, education, and community impact.
